

Niva Maharjan

Computer Science Undergraduate

Khusibun , Kathmandu 9818569991 nivv2059@gmail.com
<https://github.com/Niva02M> <https://www.linkedin.com/in/niva-maharjan/>

Skilled in HTML, CSS, JavaScript, React and TypeScript. Proficient in using React Hooks, Tailwind CSS and AntDesign for building responsive and engaging user interfaces. Seeking opportunities to apply and expand my expertise in a dynamic environment for Software Engineering.

WORK EXPERIENCE

Frontend Developer *Codesc Nepal*

June, 2024- Present

- Developed and implemented UI designs and various UI components for websites using React.js and Tailwind CSS, ensuring responsive design and seamless user experiences.
- Integrated animation designs to enhance UI interaction and visual appeal, improving overall user engagement.
- Built custom components, including drawers and modals, using Ant Design to meet specific project requirements and improve functionality.
- Collaborated with backend developers to implement APIs, ensuring smooth data flow and efficient communication between the front end and server.

EDUCATION

Bachelor of Science in Computer Science and Information Technology

Kathmandu, *Prime College (Tribhuvan University affiliated)*

May, 2021 - May, 2025

TECHNICAL SKILLS

- Frontend(HTML/CSS/JS)
- React JS, Tailwind CSS, Chakra UI, AntDesign, TypeScript
